ANNEXRUE

Following 6 proof ranges of OFB have now been opened for use by private industry in defence:

- i. OF Varangaon
- ii. AFK Pune
- iii. RFI Ichapur
- iv. OF Trichi
- v. OF Kanpur (Sasrul)
- vi. HVF Avadi

The orders were issued on 20.06.2019 after due approval of Hon'ble Raksha Mantri. This will go a long way in helping private industry in developing ammunition.

2. UK side was requested to appoint a local Liaison Officer, to facilitate the DPSUs and Indian Industry on export related issues with respect to UK. UK side has now appointed Mr. Dominic Beales, Head of Defence Security Organisation, India as the Point of Contact.

3. Hon'ble Prime Minister Narendra Modi alongwith Maldives President Ibrahim Mohamed Solih jointly inaugurated the Coastal Surveillance Radar System (CSRS) Project on 08th June 2019 at Maldives. The CSRS Project is being executed by Bharat Electronics Limited (BEL). The Project includes 10 radar stations dispersed across Maldives (with Radar, Automated Identification System, day/night camera, VHF trans-receivers etc) and a Control Centre (at Kaafu Vilingili Island/ suburb of Male').

4. A simplified Make-II procedure for capital acquisition has been notified in Feb 2018 which involves prototype development of Defence equipment/system/ platform through industry funding followed by procurement of assured quantities from successful development agencies. Further, framework for implementation of Make-II at OFB & DPSUs was notified in Feb 2019 with the objective to enable OFB & DPSUs to harness the potential of private sector in indigenization of items being currently imported by them.

The implementation plans of OFB & DPSUs were reviewed in the Department in June 2019. OFB & DPSUs have been directed to submit the Implementation strategy with timelines. Following DPSUs & OFB have submitted the initial list of items which will be taken up for indigenization under 'Make-II' framework. Issue of EOI for these items will commence from July 2019.

Sl.	Name of DPSUs /OFB	Number of items proposed to be taken up for Indigenization under Make-II
1	HAL	3249
2	BEML	203
3	BEL	41
4	OFB	54
5	HSL	6

5. On 08 June 2019, Hon'ble Raksha Mantri has approved the Defence Testing Infrastructure Scheme (DTIS), to facilitate indigenous defence production & consequently reduce imports of military equipment and make the country self-reliant. The Defence Testing

Infrastructure Scheme (DTIS) proposes setting up of 06 to 08 new DTIs, with a total grant-in-aid of Rs 400 Crores.

6. OFB received largest ever single export order of 45.75 Million USD (Rs. 315 Cr approx.) for supply of 50,000 Nos each of 155 mm HE ERFB BT Shell and Primer M191-A2 to UAE.
